

## Partners in Ministry

The ECU Wesley is a great place for students. Drop by and you might see: students chatting with each other, doing homework, studying, watching T.V., maybe a student taking a nap, eating lunch or visiting with staff members.

ECU Wesley thrives because of the prayers of our brothers and sisters in Christ and from the financial gifts from donors like you!

Being a Partner in Ministry is a way you can be involved in the transformation of lives for the Kingdom of God. With your financial contribution, we can afford to renew lives of young people at ECU. Our ministry can equip students to grow in an abundant relationship with God, guide them in Christian discipleship, train them for leadership in the local churches and communities, provide regular worship, small groups, bible studies, mission opportunities, fellowship events and much more.
